

Yealink UVC84-CP965 BYOD is an audio and video meeting kit specially designed for medium and large-sized conference rooms. With high-performance PTZ camera UVC84 and advanced IP conference phone CP965, providing excellent video and audio experience while with lower cost. Furthermore, UVC84 covers a wide field of view of 80°, which can be mechanically panned, tilted, and easily adjusted by remote control or Yealink camera control plug-in software. Featured 12x optical lossless zoom and 3x digital zoom, UVC84 reproduces every single detail in meeting room. Combined with the IP conference phone CP965, the UVC84-CP965 BYOD kit can provide best-in-class video and audio quality to all participants. All of that makes Yealink UVC84-CP965 BYOD kit the ideal choice for a truly collaborative, true-to-life communication in medium and large rooms.

Key Features and Benefits

4K Ultra HD video quality

UVC84 camera delivers 4K video output with excellent sharpness and smoothness, accurately reproducing every detail, color and therefore awarding you a vivid video experience.

HD zoom, large field of view

With 12x optical zoom, 3x digital zoom and 80° field of view, UVC84 can easily cover a medium or large meeting space. Everyone sitting in the meeting room can be clearly seen by the remote party.

Auto Framing

UVC84 camera aims to provide a better auto framing feature to free your hands from doing PTZ control and make you focus on your meeting.

Excellent Audio Experience

UVC84 camera integrates the audio feature in it as well. CP965 has 12 built-in microphones for sound picking and 1 microphone for noise cancellation. Its 20-foot and 360° omni-direction voice pickup provides users with a clear and natural voice conference experience.

Easy and Flexible deployment

Well-designed installation mounting kit give you a quick and flexible installation and deployment experience, which allows you to either put the UVC84 on the conference table or mount it on the top of TV, wall, ceiling, TV stand or a tripod according to your needs.
